GMW'S PROPOSED JURY INSTRUCTIONS

Plaintiff here submits its proposed jury instructions and special verdict form. In accordance with the court's order, Plaintiff provided its proposed instructions to Defendant on December 17th and explained to Defendant's counsel that its counsel would be out of town from December 24th, returning on the 31<sup>st</sup> of December. Defendant's counsel's answer in response was that he had no intention of working on jury instructions before the 21st of December. No jury instructions have been received from Defendant and instructions are now due and are filed by Plaintiff as required

by this court's order.

While Plaintiff submits unfair trade practices instructions (instructions 10-14), Plaintiff does not believe that an unfair trade practices claim is appropriate in this case so that any such instructions should be given. The instructions are provided, however, if the court should disagree.

Respectfully submitted this 2<sup>nd</sup> day of January, 2008.
